William P. Timmie Professor,
Chair of the Department of Radiology
and Imaging Sciences
Associate Dean for Research

Wednesday, November 1st
7:30 – 8:30 a.m.
EUH Auditorium - 2nd Floor

ALL ARE INVITED

We are in an exciting yet rapidly changing environment in health care and radiology. In this annual department-wide address, Dr. Meltzer will review key accomplishments over the past year, introduce our 2018-2022 strategic plan and the opportunities and challenges ahead.

Learning Objectives:

• Gain a working knowledge of programmatic FY17 accomplishments by faculty, staff, trainees and interdisciplinary teams.
• Identify and address upcoming challenges and opportunities.
